

Come support your local community by learning about and sharing your neighborhood's history!

Dear Washington Heights Neighborhood Residents,

The UNCC Honors Students, in association with Charlotte Action Research Project (CHARP) and your local community leader, Mrs. Mattie Marshall, have been working on a [Historic Washington Heights Oral History Project](#) for your benefit.

We would be honored if you would join us as we document, preserve, and celebrate the personal history of the Washington Heights Neighborhood, through the unveiling of a new neighborhood website and the screening of a documentary featuring the oral histories of your fellow neighborhood residents.

This event is a great opportunity to learn more about the history of your neighborhood and to enjoy some fellowship with your local community members!
